

EXPRESSION OF INTEREST FOR THE PROVISION OF COILED TUBING SERVICES FOR TILENGA CA-1 & LA-2 NORTH DRILLING AND WELL INTERVENTION CAMPAIGN REFERENCE: IA028157

TotalEnergies EP Uganda (COMPANY), in its capacity as Operator of Contract Area (CA) 1 and License Area (LA) 2, in conjunction with its Joint Venture partner(s), invites experienced and qualified companies/entities to express interest in the provision of Coiled Tubing services for Tilenga CA-1 & LA-2 North Drilling and Well Intervention Campaign in Uganda.

Brief Description of the Scope of Services:

COMPANY intends to issue a future Call for Tender for the provision of Coiled tubing Services during Drilling and well intervention operations scheduled to commence Q3 2027 to be performed on Tilenga CA-1 & LA-2 North in Uganda.

The objective of this future contract is to provide Coiled Tubing, Pumping, Nitrogen, and Downhole Tooling packages, together with qualified personnel and adequate operational support facilities within the permit area.

The following requirements are to be demonstrated: All equipment shall be fully truck mounted and independent from COMPANY logistics support.

- Two (2) fully truck-mounted coiled tubing packages, including CT reels, injector heads, cabins/DAS, power packs, 5K BOPs, risers, cranes, and full ATEX/Zone-2 safety equipment etc
- Two (2) complete downhole tool packages, including BHAs, jetting tools, extended-reach tools, tractors, milling tools, and full internal/external fishing tools, etc
- Two (2) independent pumping packages, including HP pumps, batch mixers, filtration units, tanks, treating iron, hoses, and support pumps, etc
- Two (2) Nitrogen pumping packages, including N₂ pump units and a minimum of ten nitrogen tanks etc.
- Full suite of oilfield chemicals, including acids, solvents, BHAs, surfactants, viscosifier, brine, and chemical tanks etc

- Contractor base facilities within the Permit Area, providing storage, workshops, maintenance, calibration, logistics, and 24/7 operational and engineering support etc
- Fully qualified operational and technical personnel, covering CT, pumping, nitrogen, engineering, logistics, maintenance, QA/QC, and HSE domains etc.

COMPANY seeks to identify a company possessing or capable of providing Coiled Tubing services during Drilling and Well Intervention operations. The supplier shall comply with COMPANY's technical requirements to perform the operations efficiently. It must consider environmental constraints and establish a set up within the proximity of the Industrial Area. Potential bidders shall be encouraged to submit bids with technical efficient technologies, proposed to achieve COMPANY's requirements and objectives.

Interested parties (individual firms or proposed partnerships) shall, as a minimum, be required to demonstrate the following:

1. Proven experience in either providing Coiled Tubing services for an international oil company or major operator
2. Demonstrated commitment to statutory National Content requirements for oil and gas operations
3. Current registration or application to be registered on the National Supplier Database for the year 2026
4. Proof of being suitably resourced with personnel with substantial qualifications and experience in the required services
5. Proof of good financial solvency to deliver the services required
6. Proof of appropriate Quality, Health, Safety, Social, Security and Environment policies, procedures, and processes in compliance with applicable national and industry standards.

Interested companies/entities who meet the above minimum requirements shall submit a request by email (attaching company profile) to: ep-ugep-dwl-contractandprocurement@totalenergies.com for a pre-qualification questionnaire on or before 12:00pm Kampala time 14th May 2026 and quoting "Prequalification Questionnaire request Ref No IA028157 for Coiled Tubing Services for Tilenga CA-1 & LA-2 North"

Interested parties to be prequalified for the Services are encouraged to provide **Name, Address, Contact and Email** to facilitate the issuance of a pre-qualification questionnaire through COMPANY's official e-sourcing platform **SAP-ARIBA**.

Note: Only prequalified bidders will receive invitations to submit bids in furtherance of the call for tender process.
